S3 Class Schedule

Term 1, March Holidays and Term 2 2027 · Monday 4 January – Sunday 30 May 2027

Early Bird Promotion 2027 Details

To help families plan ahead for the new year, we are pleased to offer an Early Bird Promotion for 2027 registrations.

Promotion period: From 1 October 2026 to 31 December 2026, for the first 150 sign-ups only.

The promotion applies to each subject registered. The registration fee is waived once per student. For example, a student registering for Mathematics and Chemistry on the Semester Package saves ($500 x 2 subjects) + $88 = **$1,088 in total savings**.

Package	Lessons covered	Early Bird savings
Month Package	4 lessons (January)	**$138 off** ($50 off + $88 registration fee waived)
Term Package	10 lessons (Term 1)	**$288 off** ($200 off + $88 registration fee waived)
Semester Package	21 lessons (Term 1, March Holidays and Term 2)	**$588 off** ($500 off + $88 registration fee waived)

Note: The Early Bird Promotion applies to Axiom Education's regular group classes only.

Every subject below is offered in two timeslots each week. Students attend the one timeslot they are enrolled in, at the same day and time every week for the whole period above. If you would like to change timeslot, please speak to us first so we can confirm availability.

Weekly class times

Additional Mathematics

Class	Day	Time	Tutor
S3 A Math	Thursday	4:45pm – 6:45pm	Shawn
S3 A Math	Sunday	3:00pm – 5:00pm	Shawn

Chemistry

Class	Day	Time	Tutor
S3 Chemistry	Tuesday	4:45pm – 6:45pm	Fushia
S3 Chemistry	Sunday	10:00am – 12:00pm	Fushia

Physics

Class	Day	Time	Tutor
S3 Physics	Thursday	4:45pm – 6:45pm	Amir
S3 Physics	Saturday	3:00pm – 5:00pm	Amir

Public holiday closures

The centre is closed on the dates below and no lessons are held. Where a class has another timeslot that same week, students should attend that session instead. Where a class would otherwise have no session at all that week, a make-up class has been scheduled.

Saturday 6 and Sunday 7 February — Chinese New Year

- Additional Mathematics: attend the Thursday 4 February 4:45pm session.
- Chemistry: attend the Tuesday 2 February 4:45pm session.
- Physics: attend the Thursday 4 February 4:45pm session.

Saturday 1 May — Labour Day

- Physics: attend the Thursday 29 April 4:45pm session.

Thursday 20 May — Vesak Day

- Additional Mathematics: attend the Sunday 23 May 3:00pm session.
- Physics: attend the Saturday 22 May 3:00pm session.

Axiom Education's Make-Up Lessons Policy

For students who may not be able to attend their regular class, here are the options available for making up the missed class:

1. **Change to Another Slot:** If you cannot attend your registered timeslot, you have the option to switch to another slot during the same week, subject to availability. Please notify us at least 24 hours in advance so we can check for available slots and make the necessary arrangements.

2. **Recorded Lessons:** If rescheduling is not possible, we will provide a recording of the lesson and the relevant lesson materials. Please inform us in advance if you need this option so we can ensure the recording is sent to you promptly.

Additionally, if you have any questions or need further clarification after watching the recorded lesson, you may schedule a 15-minute consultation (pertaining to the recorded lesson) with the tutor, subject to tutor availability.
